PROFIILI

Hi !

I'm a student delving into software development at Omnia Vocational qualification. In the past, I juggled flavors and managed kitchens, entrepreneurially exploring the culinary world.

Now, I'm actively seeking opportunities for a trainee position and aspiring to grow into a Junior Full-Stack Developer role. I'm eager to contribute and learn in the coding realm, join me on this coding adventure.

WORK EXPERIENCE

Journey to the West Oy 02/2019–01/2021 - Restaurant entrepreneur
